## TERMS AND CONDITIONS (To be completed by Account Holder)

I, \_\_\_\_\_ (name of account holder) confirm that I reside at the above household and that I am a BC Hydro residential customer with an active BC Hydro account at the address listed above.

I acknowledge that the \_\_\_\_\_ (insert name of affiliated organization) has identified the above household to receive an Energy Saving Kit (ESK). I understand that BC Hydro is supporting the ESK program, which allows the ESK products to be supplied free of charge and, in return, I agree to the following:

- 1) I agree to the supply and (if applicable) installation of the ESK products at the above household.
- 2) I confirm that I am the owner of the above household or, if not, that I have the owner's permission to proceed with the supply and (if applicable) installation of the ESK products.
- 3) (If applicable) I acknowledge that the installation of the ESK products is being carried out by \_\_\_\_\_ (insert name of affiliated organization).
- 4) I agree that BC Hydro, not being a designer, manufacturer or installer of the ESK products, makes no representation or warranty of any kind concerning the products or their installation. I further agree that BC Hydro shall have no liability in relation to the ESK products or their installation.
- 5) I consent to the indirect collection and use by BC Hydro of the information on this form. I also consent to BC Hydro's use of my BC Hydro account information, including electrical consumption at the above household for a period of up to 60 months before and after ESK installation, for purposes of: (i) administering and verifying the effectiveness of the ESK program, and (ii) expanding existing programs to better serve the needs of residential customers.

May we contact you in the future for follow up information or to provide you information on other similar conservation-related programs?
