FOUR HOST FIRST NATIONS

LIL'WAT | MUSQUEAM | SQUAMISH | TSLEIL-WAUTUTH

The following list provides examples of the types of Aboriginal (First Nations, Inuit and Métis) businesses or communities engaged in these sectors, that the Four Host First Nations (FHFN) is interested in showcasing and connecting in the Aboriginal Business Showcase:

- Business services
- Construction and housing
- Fisheries, aquaculture, hunting and trapping
- Food production
- Forestry and wood industries
- Innovation, science, technology and green technology
- Manufacturing
- Tourism
- Renewable energy
- Resource extraction

All successful proponents will be required to enter into a service agreement with the FHFN describing the business to be showcased and with other requirements as per a standard service agreement.

Business Description:

We are looking for export-ready businesses and for communities that are ready to develop business opportunities. Please briefly describe what you would like to share with potential customers, partners or suppliers. Consider including details about your community or business(es), products and services, mission statement, information about your labour force and operations, marketing strategies, current partners, clients and any other information you would like to communicate. Please feel free to attach brochures or any other communications material such as an annual report.
