Health Care Assistant Certificate Program

- NEC is proud to offer the Health Care Assistant (HCA) Certificate Program for Aboriginal community members.
- This career is in great demand and HCAs are valued members of the health care team.
- HCAs provide personal care and assistance to patients or community members in a variety of settings such as home and community care or residential care facilities.
- The program is full-time, 7 months in length and includes classroom instruction, laboratory, and clinical components.

Students will receive:

- **FREE** Tuition, Textbooks, and Supplies
- **Culturally sensitive training** experience in a supportive learning environment
 - Personalized guidance, preparation and support in **job placement**.

We Are Accepting Applications
